Immediate Binders:

In the event the applicant desires coverage to be bound for either Homeowners or Fire Policy Program prior to notification by the Facility of the acceptance or declination of the requested coverage, the applicant may request an Immediate Binder.

- 1) In order to facilitate the prompt processing of requests for Immediate Binders, the applicant shall submit to the Facility:
 - a) For Non-Homeowner risks, 2 copies of a properly completed application along with the required estimated premium and a copy of the cancellation notice from the previous insurance carrier.
 - b) For Homeowners HO-2 or HO-8 Coverage, 2 copies of a properly completed application, the required estimated premium, and a copy of the cancellation notice from the previous insurance carrier and 2 photos of the dwelling (front and rear) plus photos of any outbuildings.
- 2) The Facility upon request for Immediate Binding will review the request. If approved an Immediate Binder will be issued. The Facility may elect not to bind coverage until the inspection of the property is completed and reviewed by the Facility. Coverage is not bound until the Immediate Binder is issued by the Facility.
- 3) If the property is bound by the Facility and prior to the issuance of the policy of insurance be determined to be ineligible for coverage or to fail to meet reasonable underwriting

standards as defined in these rules, the Facility shall terminate the immediate binder, with 15 days notice, shall notify the applicant of the termination, shall retain a pro-rata portion of the appropriate premium and shall return the remainder of the deposit premium to the applicant or producer.

- 4) Except for the HO-4 Tenant form, Homeowners immediate bound property must be owner occupied and will be cancelled flat if the Facility should determine that the property is vacant, unoccupied or tenant occupied.
- 5) The estimated annual premium shall be in accordance with the rates filed on behalf of or for use by the Facility and shall be subject to an appropriate premium adjustment, if necessary, after the property has been inspected. If the coverage to be bound is presently provided under an expiring policy written through the Facility, the deposit premium shall not be less than the premium charged under such policy.
- 6) If the Facility terminates the immediate binder or declines to insure a property for the reason that it is ineligible for coverage or that it fails to meet reasonable underwriting standards, the subject property subsequently shall not be eligible to be bound by the Facility.
- 7) If the property is immediate bound by the Facility and upon inspection is determined to be subject to condition charges, exclusions and/or additional premium charge under any applicable rating plan, the Facility shall notify the applicant or producer of the premium due in excess of the deposit premium. The Facility shall terminate coverage if the full additional premium is not received by the Facility within 30 days of the notice of the additional premium being due.
- 8) If the Facility's inspector is unable to successfully complete an inspection of the immediate bound property due to the fault of the applicant or his representative, the Facility will terminate the Binder giving 30 days notice to the applicant and retaining a pro rata portion of the annual premium for the time coverage was in force.
- 9) If a policy is cancelled as a result of unsuccessful inspections the subject property shall not be eligible to be bound by the Facility until the Facility's Approval Notice has been issued and the premium paid.
- 10) Immediate Binding is not available on vacant or unoccupied property.
